THE PROJECT- #3

A SERVICE PROJECT

With the help of your mentor, your goal is to do a Service Project and report on it!

1. Your mentor can, but does not have to do the project with you - it's always fun if they do though. If your mentor is not available, feel free to ask someone else. Ask another 8th grader, a parent, etc
2. This project should be one that interests or challenges you.
3. The service project can take many paths - from letter writing, to collecting food, to visiting a homeless shelter.
4. *When you have completed your service project, please fill out the questions listed below on a separate page!*
5. Below are **possible** ideas: feel free to contact Pastor Aaron, Ketti Spehar or Andrea if you need any help or ideas:

- Visiting a homeless shelter
- Helping at ICA
- Visit a nursing home
- Spend a week or two engaging in Random Acts of Kindness
- Do a Children's Sermon at Mount Calvary
- Help at a library or pre-school reading to children
- Donate your hair to Locks of Love
- Do service in your own home—make a couple of dinners for your parent or parents, do the laundry, etc.
- Explore the issue of hunger—go to a grocery store and find out what it might cost to feed a family of 7 for a week.
- Work, babysit, and donate the money to your mom or dad's favorite charity in their name!
- Mentor a younger person - tutor a younger person
- Leave a care package anonymously for someone you know needs it.
- Accompany one of the Pastors to a nursing home or on a home communion visit.

If I can stop one heart
from breaking,
I shall not live in vain.
If I can ease one life
the aching,
Or cool one pain,
Or help one fainting
robin
Unto his nest again,
I shall not live in vain.

Emily Dickinson
